Bible Truths 6: Redemption-God's Grand Design Worktext (3rd ed.) helps elementary students trace God's plan of redemption throughout Biblical history. Practical application of Biblical principals is showcased in the Christian Living and Something to Think About sections, and students are also introduced to masterworks of religious art in From the Gallery. Good Bible study techniques including verse memorization, cross-referencing, and using a concordance are explained and encouraged throughout the text. Learning activities help students demonstrate and expand their study skills and knowledge of Scripture passages.
