O Shepherd, Where Art Thou? Calvin Miller

In this hilariously humbling fable about modern church culture, master storyteller Calvin Miller introduces Sam, a misguided ministry professional who is free to hit the golf course more often after reading *Physician, Heal Thyself: How to Kiss Pastoral Care Good-bye Forever*. Clearly poking fun at the “professionalization” of doing the Lord’s work, Miller’s point is that no matter how complex church life becomes, staying involved in the lives of real people is still top priority.
