In this book, I am going to bring to you the revelation of the Holy Numbers of GOD; a revelation which I have received from the LORD JESUS CHRIST through the power of the HOLY SPIRIT for HIS GLORY. The LORD wants them to be known by all those who seek to know HIM through HIS WORD in power; because I believe that numbers have a lot to do with the power and understanding of the WORD OF GOD. The HOLY SPIRIT told me that it would open up the revelation of truth of the Scriptures, and yes, I believe it to be very, very important! The Scriptures reveal GOD to be a GOD of numbers; and the Psalmist said of the LORD, "HE counts the number of the stars; and HE calls them all by name." That's Psalm 147 verse 4. The modern telescopes show that there are millions of stars reaching out into space and so infinite that men do not have numerical figures sufficient to measure their distances. Yet the WORD OF GOD tells us the number of these stars and "HE calls them all by name." Job said, "For now YOU number my step..." You'll find that in Job 14 verse 16. If it were so in the case of Job, is it not so in the case of all people? When we think of all the steps taken by all the men who ever lived and then realize that GOD numbered them all, then we can better understand the words of the Psalmist when he said, "Great is our LORD, and might in power; HIS understanding is infinite." That's Psalm 147 verse 5. Again Job said, "Since his days are determined, the number of his months is with YOU..." That's found in Job 14 verse 5. Jesus said that not a sparrow could fall to the ground without the FATHER's notice and that the very hairs of the heads of HIS people are all numbered. That's found in Matthew 10 verses 29-30. And when we think of all of the many sparrows that have fallen to the earth and the countless billions of hairs that have been on the heads of people since the beginning of time and how the number of hairs on different heads are changing from day to day then we can indeed say, "Hallelujah, how our GOD is a GOD of numbers and that HIS knowledge is truly infinite!" Jesus said, concerning the law, "Till Heaven and earth pass away, one jot or one tittle will by no means pass from the law till all is fulfilled." That's in Matthew 5 verse 18, and every word and every letter in the WORD OF GOD was in HIS mind before a line of it was ever written; even the numbers within the WORD were known to HIM before they were penned. This will be seen as I go into the numbers with you in this book because indeed, our GOD is great and infinite in HIS understanding. There are many incidents in Scripture showing evidence of the numerical design of the HOLY NUMBERS OF GOD which run all through the bible; for instance, the distance around the Tabernacle was 300 cubits. "The length of the court shall be one hundred cubits, the width fifty throughout, and the height five cubits..." That's found in Exodus 27 verse 18. Now, the two long sides were 100 cubits each, the two ends were 50 cubits each. Two times 100 plus two time 50 equals 300 cubits. "You shall make an altar of acacia wood, five cubits long and five wide-the altar shall be square and its height shall be three cubits." That's Exodus 27 verse 1. The product of the number connected with the altar is 300, the number of cubits around the Court. Five times five is 25, four times 25 is 100 and three times 100 is 300. On this altar within the Court the Priest offered the sacrifice. In I Chronicles 24 verses 1-19 there are found 24 divisions of the Priesthood. These are the divisions of the sons of Aaron, Nadab, Abihu, Eleazar and Ithamar, but among the sons of Eleazar there were 16 chief men of the house of their fathers and eight among the sons of Ithamar; sixteen and eight make 24. When all the numbers from one to 24 are added the sum is 300, the number of cubits around the court; and Noah's ark was 300 cubits long; the distance around the Court of the Tabernacle.
