The Monster of Frankenstein Dick Briefer

The early 1950s were the Golden Age of horror comics. One of the most legendary titles of the era was Dick Briefer's MONSTER OF FRANKENSTEIN, the first continuing series to feature a creature of darkness in a starring role. Veteran comics pro Briefer pulled out all the stops to create a truly great version of the Frankenstein Monster. Now, over a half-century later, these timeless, hard-hitting tales are collected for the first time in a big bonanza volume to delight monster lovers and comics fans alike. Combining bold visual flair and inventiveness with impressive storytelling abilities, Dick Briefer here claims his rightful place with such great writer/artists as Chester Gould (DICK TRACY) and Jack Cole (PLASTIC MAN).
