## **Diary of a Successful Loan Modification (Volume 1)** Victoria Alexander

I am not an attorney, accountant, or mortgage specialist. I am a stay-at-home mom who, through unwavering tenacity, was able to get my mortgage interest rate reduced from 7.5% to 2% and debt forgiveness on my second mortgage of over \$120,000. This book is the story of my family's year-long struggle to modify our home loan and save our house. My hope is that if you find yourself in a similar situation you can learn from my mistakes, find some humor in the absurdity of the process, and hopefully arrive at the other end with a successfully modified home loan.
