Almost all 100 have a circular foundation to them, an equilibrium if you will, but many designs don't follow the circular format of the traditional mandala, some are in square form or triangle form, this is a mix of 100 of my own designs and work, I hope you enjoy my work and let your inspiration flow freely, I hope you enjoy the art and flow of some and the unity and equal structure of others, order in the lines and pure relaxation in the action of creating a flow of colors and expression, I hope you enjoy fellow coloring enthusiasts, I know I enjoyed making these designs and I have enjoyed coloring them.
