The exploits of this sunny little boy will ring true to every parent of a preschool-age child, whose energy and curiosity don't yet match his abilities. Age Range: 1–4 years

Everett Ellington understands that there are a lot of things that need to get done every day. And Everett Ellington knows that he's the guy to do them. Get to know this two-and-a-half-year-old who wakes up full of energy and ready to "help" his parents with everyday tasks, and, as the messes pile up, so do Mom and Dad's frustrations—until Everett's attempts to help out finally pay off and he manages to save the day.

In line with the teachings of famous early childhood educator Maria Montessori, Everett reaffirms the developmental importance of a child's participation in family activities and daily chores. While the chaos a toddler can cause often demands plenty of patience, Everett reminds parents of the generous, useful individual they are hoping to raise.

The funny, sweet story of one youngster's efforts to be a valuable, helpful member of the family team, *Everett, the Incredibly Helpful Helper* will charm adults with its optimism and joy, while children will connect with its warm and funny illustrations.
