Mac is back! In BEST ENEMIES, we met Mac Taylor, the rough and tumble ex-Newark cop, who hunted down two old adversaries in the backwoods of New York State. This time, the former Newark Police Detective has become a Private Investigator. When his first client hires him to look into a reported suicide, he soon uncovers a sinister plot that involves murders in Scotland and Italy, and plans to destroy several U.S. landmarks. Shortly after his discovery, Mac and his pregnant wife, Cheryl, become targets of an international terror organization; specifically, that of a psychopathic killer named Dirk Conroy, aka Ahmed Sal Mohammed. Working with FBI Agent Sara Dillon, Mac sets out to find Conroy. Dillon wants him captured alive. Mac wants him dead at all costs. Along the way, Taylor's old friend from his Vietnam days, Nick Polsani, tries to convince him that seeking justice is the only course of action to be taken. Mac disagrees. It's not justice he's looking for, it's JUST VENGEANCE.
