**Pretending is Lying** Dominique Goblet

**The first book to appear in English by the acclaimed Belgian artist Dominique Goblet, *Pretending is Lying* is a memoir unlike any other.**

In a series of dazzling fragments—skipping through time, and from raw, slashing color to delicate black and white—Goblet examines the most important relationships in her life: with her partner, Guy Marc; with her daughter, Nikita; and with her parents.

The result is an unnerving comedy of paternal dysfunction, an aching ambivalent love story (with asides on Thomas Pynchon and the Beach Boys), and a searing account of childhood trauma—a dizzying, unforgettable view of a life in progress and a tour de force of the art of comics.
