An Honest Heart: A Great Exhibition Novel Kaye Dacus

Set during the Industrial Revolution and the Great Exhibition of 1851, *An Honest Heart* is a “sitting-room romance” with the feel of a Regency-era novel but the fashions and technological advances of the mid-Victorian age.

Featuring dual romance stories, the main plot involves seamstress Caddy Bainbridge and the choice she must make between two men: one from the aristocracy, the other from the working class. Award-nominated author Kaye Dacus pinpoints the theme of honesty—both men in this love triangle have deep secrets to hide, and Caddy’s choice will be based on which of them can be honest with her.

Courtship . . . cunning . . . candor. Who possesses an honest heart?
