Not everyone can have superpowers and fight crime. But the guy selling newspapers down on the corner, the woman working as a receptionist for a superhero team, a lawyer specializing in defending supervillains, and a superhero's kid brother - all these are important characters, too, with stories of their own to tell and lots of flavor and adventure they can add to your Champions games. Everyman takes a look at these unsung, ordinary, but all too important people in ways that can add depth and excitement to any Champions character or campaign.
