This crazy Mama and her highly troublesome daughters are back and they're making much noise. Karrine can't keep her hands off Taffy's main man, Honey, but falling for him will sting like an attack from a swarm of bees. Their relationship has plenty of ups and downs, but through it all, Mama will be the one who eventually saves them or tears them apart.

Many of Mama's lifelong secrets will be revealed, too, and when more people discover that she is the mastermind behind the empire Honey has successfully operated for years, plenty of heads will roll and more dead bodies will hit the streets. Mama becomes a real force to be reckoned with, but even she can be brought down. Someone close to her is plotting to do it, and unfortunately, seeking revenge may leave one of these bad divas clinging to life or living a life sentence in prison, where many believe they belong.
