Where can you find an asparagus, ant, albatross, aloe, anteater, anemone, amaryllis, artichoke, archer fish, angel fish, apple, addax, aster, acorn, abalone, alligator, avocado, armadillo, auk, and apricot — all in one place? In the first of the 26 decorative plates in this coloring book! Leslie Tillett, noted designer and craft author, has created 26 plates (one for each letter of the alphabet) that are all handsome compositions of flora and fauna whose names begin with the letter indicated in the plate. These designs exhibit an abundance of creativity and style, and they will delight adults as well as children. Keys to the plates at the end of the volume identify all the plants and animals illustrated.
