She Changes by Intrigue: Irony, Femininity and Feminism (Genus 6) (Genus: Gender in Modern Culture) Lydia Rainford

Contemporary feminist theorists have implied a special affinity between women and irony because of their 'double' relation to the prevailing order of things: both speak from within this order while remaining 'other' to it in some way. Irony can be regarded as the obvious mode in which a feminist might speak, as it reflects her relation to the patriarchal structure while refusing to validate the truth of the current sexual hierarchy. *She Changes by Intrigue* undertakes the first sustained analysis of the parallels between irony, femininity and feminism. By retracing the association of these terms through canonical and contemporary continental philosophy, the book seeks to illuminate a notion of sexual agency that has until now remained shadowy, in spite of its prevalence. Examining the recurrence of the 'ironic feminine' in texts by Kristeva, Hegel, Kierkegaard, Irigaray, Derrida and Kofman, it argues that a radical reevaluation of the legacy of patriarchal thought in feminism is necessary before irony can be embraced as a feminist strategy. In this context, *She Changes by Intrigue* offers a new reading of what it means to write as a feminist 'subject'. This volume will be of interest to students and academics working in the fields of gender studies, continental philosophy and critical / cultural theory. Introduction The 'Impossible Dialectic': Julia Kristeva The Anxiety of Irony: Søren Kierkegaard Unsustainable Change? The Traps of Ironic Femininity 'Irony and Something Else': Jacques Derrida Miming History: Jacques Derrida Afterword: The Lesson of Irony, The Future of Feminism Works Cited
