The Guv'nor

Lenny McLean

The Guv'nor Lenny McLean

Lenny McLean was one of the deadliest bare-knuckle fighters Britain has ever seen. He had dear, powerful friends, but he also had terrible enemies. So much so that he has two bullet wounds in his back, and has been stabbed repeatedly—always from behind. Lenny, however, is also a warm, grizzly bear of a man, whose main weakness is an overwhelming desire to put the welfare of his mates ahead of his own well-being. In this autobiography he tells of how the mafia flew him to New York to take on their greatest bare-knuckle boxer in a multi-million pound illicit challenge bout. The Mafia's man lasted less than three minutes. When the IRA fronted up a London gang in a money-laundering scam, Lenny was brought in to intimidate the terrorists. The IRA, not surprisingly, backed off. Lenny's most serious trial came when he was accused of murder. Fighting to prove his innocence against a minimum sentence of 25 years, Lenny never gave up, and went on to be found not guilty. After deciding to retire from the violent life, Len turned his hand to acting, having parts in *The Fifth Element* and *Lock, Stock and Two Smoking Barrels*.

From reader reviews:

Arthur West:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each publication has different aim or perhaps goal; it means that guide has different type. Some people really feel enjoy to spend their time for you to read a book. These are reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like reading through a book? Sometime, particular person feel need book when they found difficult problem or maybe exercise. Well, probably you'll have this The Guv'nor.

Antonia Wagner:

What do you about book? It is not important along? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They must answer that question simply because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need that The Guv'nor to read.

Joshua Phipps:

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining such as comic or novel. The particular The Guv'nor is kind of book which is giving the reader erratic experience.

Jose Higham:

Often the book The Guv'nor will bring one to the new experience of reading a new book. The author style to spell out the idea is very unique. In the event you try to find new book you just read, this book very acceptable to you. The book The Guv'nor is much recommended to you to study. You can also get the e-book through the official web site, so you can quickly to read the book.
