Throughout history, Jews and gentiles have been unaware of their destinies that are inexplicably linked. Thy Kingdom Come surveys the profiles of each, while discovering a historical chaos that brought centuries of Christian misunderstanding and persecution of the Jewish people.

Taken as a broad brushed sweep of early Jewish and Christian thinking, one will discover how the early church moved away from any Jewish awareness and thought, and how the Jew and Gentile, the church and Israel, departed their ways.

We consider such topics and questions: What is the source of this age old anti-Semitism? Why has the Jew been the target of expulsions from nations? Why have the Jewish people been mocked for their religious zeal and difference? Why have they often become scapegoats for nations economic problems? These answers are made clear in Gods word, and are explored in this work.
