Where Does Our Food Come From? (Everyday Mysteries (Gareth Stevens)) Debra Stilwell

Most of the time we buy food from stores, but stores get the food from somewhere too. With the help of easy-to-follow text and detailed diagrams, readers will visit farms and follow food on its journey to farmers markets, factories, and stores. Readers learn how fresh foods are sold in markets and are also used to make the processed foods we buy in stores. Vibrant photographs make this book a visual feast.
