## **Advanced Pediatric Assessment** Ellen M. Chiocca

Advanced Pediatric Assessment provides a detailed and comprehensive approach to obtaining the history and physical examination of children. It addresses the unique anatomic and physiologic differences between infants, children and adults so that PNs, FNs, and other practitioners can provide an accurate assessment during health and illness. Using a body system framework that highlights developmental and cultural considerations, the book emphasizes the physical and psychosocial principles of growth and development. Advanced Pediatric Assessment carries increased relevance today, with a focus on health promotion and wellness.
