*Of all the miserable luck. Of all the people, it had to be him.* Considered the scourge of the Atlantic by the British, the dread pirate Captain Adanya Mbwana fears nothing—except the past. When she finds herself stuck on the ship of the very man she ran away from five years ago, can she withstand the rush of feelings she thought long buried? Can she resist his hot and demanding touch? Captain Dominic Bold has a score to settle with Adanya Mbwana, who represents the two biggest mistakes of his life. He should never have allowed her to become a member of his crew years ago, and he should never have allowed her into his bed. But will he be making a third and even bigger mistake if he lets her go now that she is back in his life? Adanya wants nothing more than to escape before she does the unthinkable and falls in love with Dominic all over again, but Dominic intends to make the proud and indomitable Captain Mbwana his for all time. The print version of this book contains a bonus story, SUBMITTING TO THE BARON.
