Never Hit a Jellyfish With a Spade: How to Survive Life's Smaller Challenges Guy Browning

How should an atheist respond to a sneeze? In an argument, how do you kick ass when you don't have a leg to stand on? After years of exploring the small pockets in life's backpack in his celebrated weekend *Guardian* "How to..." column, Guy Browning has become the authority on such matters. The runaway #1 British Bestseller *Never Hit a Jellyfish with a Spade* offers intelligent, practical advice on the level you need it, the trivial level:

- o How to evaluate a bottle of wine (if the alcohol content is less than 15 percent, send it straight back)
- o How to get what you want at the barber's (no multipart instructions, please)
- o How to stay warm in bed (when your partner has cold feet and steals the covers)
- o How to be a fashionista (when your twenty-year-old wardrobe is suddenly back in vogue)
- o How to pretend to laugh at a friend's joke (the closest most men get to faking orgasm)
- o How to fix a computer (If restarting it doesn't work, turn it off and go back to a pre-industrial lifestyle.)

Covering cooking and eating, sleeping and waking, men and women, love and marriage, religion and politics, hedges and neighbors, *Never Hit a Jellyfish with a Spade* delivers the truth about the things that really matter. With a package as fun as its contents, it's the ideal gift for anyone who wants to live life with a sense of humor.
