Tales of Adornment Kristen Robinson

Tales of Adornment will guide you through incorporating resin into your jewelry designs with stunning results. Kristen Robinson shows you, step-by-step, how to use resin in jewelry construction, providing a wide range of options and applications: from floating words to encapsulating objects, and from casting new elements to replicating sea glass.

Projects are arranged in chapters that focus on using resin with pre-made bezels, handmade bezels, found objects and molds. Each piece offers vintage style and a charming story that will speak to your romantic side.

- Combines resin with mixed-media materials to create jewelry with depth and a look of soft sophistication
- Includes 18 step-by-step jewelry projects--each using resin in its construction, providing a wide range of applications
- Features more than 50 jewelry-making techniques

Let *Tales of Adornment* help you add resin to your repertoire and create your own jewelry-making story.
