The Death Collector (Smart Kids) Justin Richards

What starts as an ordinary picket-pocketing incident in Victorian London unites three teens against a madman. Eddie is the pickpocket; George is an assistant at the British Museum; Elizabeth has a nose for trouble--and all of them are being hunted by Augustus Lorimore. Lorimore is a sinister factory owner, a villain bent on reanimating the dead, both humans and dinosaurs--and one of each is already terrorizing the streets of London. It's up to Eddie, George, and Elizabeth to stop Lorimore's monsters . . . or die trying.
