The Hidden Jesus Dan R. Mitchell

This book will shake your faith in Jesus Christ. History has hidden who Jesus really is. The information from reputable sources forces us to change our image of Jesus. We fail to see the struggles of a normal man in a Jewish life. While the narrative text struggles to remain true to the Gospel, it also uses information of recent discoveries. It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man.
