Love, love above all. You only advance according to your own effort. In order to evolve, you must learn something new. Accessing Your Multidimensional Self: A Key to Cosmic History unveils the seeds of a new galactic knowledge base as woven through the seven volumes of the Cosmic History Chronicles. Cosmic History articulates not the past world but the coming world and is derived from a memory stream that not only traces back hundreds of thousands of years, but also extends into other galaxies. It is based on the GM108X (Galactic Mayan Mind transmission) passed from "Votan" to "Red Queen".
