Faith Made Real: Everyday Experiences of God's Power Jerry A. Pattengale

"Faith Made Real" provides an authentic look at what the abstract truths of God look like in the living-faith experiences of his people. It models an awareness of and tuning in to God's work of transformation in our own lives. Stories are edited and organized into weekly topics, examining the challenging and inspiring evidence of God's providence, faithfulness, and calling on the lives of His people. In our current culture, with reality TV shows depicting an every man for himself ethos, the life-changing stories in this book portray a very different model of God-transformed community.
