Neverwhere: Author's Preferred Text Neil Gaiman

National Bestseller

Selected as one of NPR's Top 100 Science Fiction and Fantasy Books of All Time

The #1 *New York Times* bestselling author's ultimate edition of his wildly successful first novel featuring his "preferred text"—and including his new *Neverwhere* tale, "How the Marquis Got His Coat Back."

Richard Mayhew is a young man with a good heart and an ordinary life, which is changed forever when he stops to help a girl he finds bleeding on a London sidewalk. His small act of kindness propels him into a world he never dreamed existed. There are people who fall through the cracks, and Richard has become one of them. And he must learn to survive in this city of shadows and darkness, monsters and saints, murderers and angels, if he is ever to return to the London that he knew.

"A fantastic story that is both the stuff of dreams and nightmares" (*San Diego Union-Tribune*), Neil Gaiman's first solo novel has become a touchstone of urban fantasy, and a perennial favorite of readers everywhere.

"Delightful ... inventively horrific."
