## Red Dot Design Yearbook

Presenting one of the most significant and exciting international product design competitions, the red dot award, the Design Innovations Yearbook 2005 is one of the most important trend barometers of contemporary design. Every year in the "red dot award: product design" the most renowned companies, designers and new talents from all over the world submit their product designs to an international jury. The current yearbook features the winners in all branches of industry. It also contains an introductory essay and a report on the design team of the year. The Design Innovations Yearbook is a long-established and important standard work in the design scene – a "must" for all companies, designers, journalists and everyone involved or interested in design.
