## **Starting With God: A Guide for New Believers** Terry Morgan

Congratulations! You have made the most important decision of your life. In choosing to become a follower of Jesus Christ you have made a good decision. Whether you are a brand new believer in Christ, or if you have been a Christian for decades, "Starting With God" is a book written just for you. This book is designed to help you grow and become a strong Christian. It is written to be inviting and easy reading, yet written in a way to encourage much deeper learning. Starting With God covers the basics of Christianity. It lays a firm foundation for anyone who wants to go deeper in their faith. It covers such topics as understanding what happened when you believed; what comes next; baptism; the Bible; Prayer; Fellowship; Worship; and dealing with hurts from the past. It gives the steps to telling your testimony, and how to effectively witness to others about what Jesus Christ has done for you. Starting with God relies on scripture and is a profoundly clear and simple book to read. My prayer in writing this little book is that it will become a classic book in your library, and a book you will return to again and again through out the years. Thank you for considering this little book. May you grow in Christ and find peace and strength in the reading of it.
