## **The Bikeriders** Danny Lyon

In 1968, just before Easy Rider roared its way into American consciousness, Danny Lyon published *The Bikeriders*. A seminal work of modern photojournalism, this landmark collection of photographs and interviews documents the abandon and risk implied in the name of the gang Lyon belonged to: the Chicago Outlaw Motorcycle Club. With images and interviews that are as raw, alive, and dramatic today as they were three decades ago, this new edition includes startling new images: 15 additional black-and-white photographs and 14 color prints--long thought missing--of works originally published in black-and-white. With a new introduction by the author, *The Bikeriders* rides again, capturing like never before the dawn of the counterculture era.
