The Cessation Of Love Rachel Aston Warren

The Cessation Of Love is the first published collection of poems from RAW. TCOL is, quite simply, poetry on love. It chronicles the different types of relationships had throughout the author's young adulthood, and how the definition of love changes. Contrary to what the title would suggest, The Cessation Of Love doesn't ever let love extinguish altogether; rather, portrays the ways in which love gets said, spent, and transformed.
