## **The Children of the Sea** Joseph Conrad

"The unfortunately titled *The Nigger of the "Narcissus"* (titled *The Children of the Sea* in the first American edition) is Conrad's best work of his early period. In fact, were it not for the book's title, it undoubtedly would be read more often than it is currently. At one time, it was one of Conrad's most frequently read books. In part because of its brevity, in part because of its adventure qualities, and in part because of its literary qualities, the novel used to attract a good deal of attention.
