**Out of Egypt: Preparing the Way of the Lord in Your Life for History's Final Hour** Charles Crismier

The greatest event in all of Jewish history was the Exodus from Egypt. God raised up Moses the “Deliverer” as a “Prince of Egypt” to lead the covenant children of Abraham Out of Egypt, out of “the house of bondage,” into the Promised Land. Though all of God’s “chosen people” left Egypt, only two were allowed into the Promised Land. Why? He got them out of Egypt but could not get Egypt out of them.

Out of Egypt reveals how God still seeks to get the spirit of Egypt out of His children. Over 400 times from Genesis to Revelation God warns His people to come Out of Egypt. He once rejected the majority of those who claimed His name from entering His Promised Land because they wallowed in the spirit of Egypt. Will He do the same again as we seek to enter the eternal “Promised Land,” poised on the near edge of Christ’s Second Coming?

Charles Crismier, Richmond, Virginia radio broadcaster and pastor, takes us on the journey of a lifetime once again, like Moses, Out of Egypt. Building end-time trust for end-time trials while confronting the ever-seductive spirit of Egypt, Crismier prepares the heart for the Promised Land with a bold and biblical faith.

Fasten the seatbelt of your chariot for this life-changing ride Out of Egypt, exploding myths while enthroning the Master for all who would enter the Promised Land.
