Siblings Under the Skin: Feminism, Social Justice and Analytic Philosophy (Critical Studies in the Humanities)

Siblings Under the Skin: Feminism, Social Justice and Analytic Philosophy (Critical Studies in the Humanities)

Siblings Under the Skin looks ahead to a time when the affinity between social justice and analytic philosophy is assumed and used as a point of departure for innovative work. It begins with an historical essay detailing the relationship between the philosophy and socialism of Reichenbach and Neurath. Essays by feminist philosophers of science are then paired with the essays in the analytic tradition that gave them inspiration, including selections from Quine, Davidson, Hempel, Sellars and Popper.
