**The Autobiography of a Snake: Drawings by Andy Warhol** Andy Warhol

**In this visual complement to *The Andy Warhol Diaries*? a snake who might be Warhol himself chronicles his attempts to scale the social ladder**

This is the never-before-published story of a snake trying to make it in the world of sixties high society, strongly suggested to be a stand-in for Warhol himself. The snake's tongue-in-cheek observations as he slithers from adorning Jackie Kennedy's boots to embellishing Coco Chanel's shirt will delight the sophisticated fashion crowd. But the stars of the show are Warhol's whimsical illustrations, revived with a color scheme inspired by his iconic Pop Art.

Before he achieved his dream of making it big in New York, Andy Warhol worked in advertising for a leather goods company, Fleming-Joffe, alongside Ogden Nash and Piero Fornasetti. It was for Fleming-Joffe that he created these images, held by the Warhol Museum in Pittsburgh, Pennsylvania, and rarely seen until this deluxe publication. The *Autobiography of a Snake* is a brilliant portrait of Warhol's obsessions, his talent, and the world he would one day conquer.

22 color illustrations
