Tom Rawling

The Names of the Sea-Trout Tom Rawling

The Names of the Sea-Trout, his last published collection of poems, confirmed Tom Rawling as a spiritual poet. Drawing on his childhood in Cumberland, his passion for trout-fishing and his relationship with his wife, he creates in these poems images that are full of resonances of a bygone era, yet are sharp, immediate and brilliantly luminous. This collection undoubtedly underlined Rawling's reputation as a thoroughly contemporary pastoral poet.
