I Believe Every Person On This Planet Can Grow Their Own Food Using These Proven Urban Gardening Techniques

You could be just months away from a harvest of delicious, fresh organic food from your urban garden. Learn how to:

Grow A Garden On Your Balcony Or Rooftop

Even if you only have a tiny balcony to work with, you can grow fresh food and flowers there. You've probably already considered container gardening - but what about vertical gardening with vining plants that can grow up the wall or using a vertical aeroponics gardening system that can grow 20+ plants in a 4 square foot area?

And rooftops are the perfect spot for an urban garden! Not only will you love all the fresh food but the building owner will love the reduction in their heating and cooling bills and the fact that the rooftop will need less repairs and maintenance due to the protection from the plants.

Grow Vegetables And Fresh Food With An Indoor Garden

Even if you only have a window sill to work with or just a small area by a window, you can build or buy a window garden to grow at least 20 food plants like tomatoes, lettuce and kale.

You don't need fancy equipment or expensive gear to start an indoor urban garden - just a little bit of creativity and the plans and step by step instructions included in this book.

Also included is a list of the 15 best indoor plants for cleaning, purifying and removing toxins from polluted city air. Even in the heart of Manhattan you can breath fresh, pure air thanks to these incredible plants that have been studied by NASA and proven to remove pollutants like benzene, formaldehyde and Volatile Organic Compounds (VOCs).

Plant An Incredible Garden In Your Small Yard Or Abandoned City Plot

You might only have a very tiny yard to work with - that's okay! You can still grow a lot of incredible, fresh food and enjoy your beautiful garden. Even if you don't have a yard to work with, there's probably an abandoned plot of land somewhere in your neighborhood. You can start a community garden there often without any cost using the land as long as it's a community project. Not only will you be helping beautify the city but you'll be helping your community as well. Did you know communities that garden have lower crime rates and the residents live longer, happier lives with less stress? What if you could leave a legacy in your

community by starting an urban garden?
