Contact With Beings of Light: The Amazing True Story of Dorothy Wilkinson-Izatt Peter Guttilla

Contact With Beings of Light is truly an amazing tale of Dorothy Wilkinson-Izatt. Using an ordinary 8 mm movie camera she has filmed hundreds of sequences of unexplained, yet authenticated, pictures of UFO's, ETs, and anomalies. Dorothy Izatt is without peer anywhere on record in the world, even when compared to today's tabloid media with its endless loops of bizarre video footage from various places and people. Aside from the fact that electronically simulated video images aren't as yielding to analysis as the images in film photography, the obvious difference is that the footage derives from multiple sources. With Dorothy we have a credible, trustworthy, prolific source in one location - or in any location anywhere she chooses - willing to demonstrate the process for an observer. The author, Peter Guttilla has spent years sifting through photographs, movies, and taped interviews with Dorothy to produce an exceptional glimpse into her life's work.
