Reign of Snakes (Penguin Poets)

Robert Wrigley

Reign of Snakes (Penguin Poets) Robert Wrigley

Described by the late **James Dickey** as "one of the finest new poets to come along in years," **Robert Wrigley** fulfills that early promise with this, his newest collection. **Reign of Snakes** is a book about desire, the soul's desire as much as the body's. As **Jane Hirshfield** said of Wrigley's previous book, **In the Bank of Beautiful Sins** (Penguin, 1995), "To read it is to unpeel a little further into the human, and into the wideness that holds the human--a splendid gift." **Reign of Snakes** takes us to yet another level, deep into the daily devotions, "where the dark blows a kiss to night."

. . . a frigid day in February and a full-grown rattlesnake curled to a comma in the middle of the middle of the just-plowed road. Ice ghost, I think, curve of rock or stubbed-off branch. But the diamonds are there, under a dust of crystals looming, impossible, summer's tattoo, the mythical argyle of evil.
