**SMK: Slave, Man, King.: Slave, Man, King.** Andrés Cecilio

This is a collection of poetry from 4 to 5 years ago. The definition of the title means that I am willing to love a person at any stage of my life. I am willing to be anything for that person just to be corresponded. It also represents three different stages and personalities. Slave to me is someone who's a stepping stone. Very friendly, gives their all to everyone, but barely gets it in return. Man is more egotistical, aggressive, stubborn, selfish, and sexually driven. King is emphatic, evolved, loving, self controlled, a peace maker who stands alone. My life and my mind set are changing. I was once a slave for love, then became a man, and one day I hope to become a king. Because now I am only a prince, learning how to be a better person in this world. I refuse to let anything or anyone corrupt me.
