Straight... From Hell Donna L Frank

'Straight.from Hell' is the story of one woman's journey to freedom. Having lived as a lesbian for seventeen years, one encounter with Jesus on a summer's afternoon changed everything. Through her candid testimony the author stretches out her arms to show you the scars of deliverance and the joy of surrender. This book is intended as a guide for people wishing to escape the bondages of homosexuality, brokenness, anger, shame and lust. Whether you're a survivor of childhood sexual abuse or are struggling with addiction, this book provides a way to find peace and forgiveness. Based on personal experience and the Word of God, 'Straight.from Hell' is a map out of the darkness and into the light. One of the major barriers that the author faced in her own walk to freedom was a lack of suitable resources. Even within the church the truth about homosexuality is often diluted. In an attempt to be politically correct and socially acceptable the church is often allowing this sin to go unchallenged. By our silence, we are losing these precious souls to hell. This book is designed not only to help people struggling with homosexuality but also as a resource for pastors and churches. 'Straight.from Hell' provides insight for dealing with this issue from a biblical perspective. Addressing the issues of generational curses, soul ties and codependency the author provides a step-by-step guide for people wishing to be set free from homosexuality and other destructive lifestyles. The miracle of deliverance is available to anyone who calls on the name of Jesus. Open the book, discover His mercy and prepare to be set free.
