## **The Book of Woodcraft and Indian Lore - Survival in the Wild** Ernest Thompson Seton

This antiquarian book contains Ernest Thompson Seton's 1927 work; "The Book of Woodcraft and Indian Lore - Survival in the Wild". It is a comprehensive collection of material based on many talks and lectures given by the author on the subject of outdoor life and wilderness survival - often making reference to the techniques of Native Americans. Contents include: "Principles of Woodcraft", "The Spartans of the West Woodland Songs", "Dances and Ceremonies", "Suggested Programs", "General Scouting Indoors", "General Scouting Outdoors", "Signalling and Indian Signs", "Campercraft or the Summer Camp", "Games For the Camp", "Health and Woodland Medicine", "Wildwood Remedies or Simple", "Natural History", "Mushrooms", etcetera. Ernest Thompson Seton (1860 - 1946) was a British artist, author, and one of the founders of the 'Boy Scouts of America'. Many antiquarian texts such as this, especially those dating back to the 1900s and before, are increasingly hard to come by and expensive, and it is with this in mind that we are republishing this book now in an affordable, modern, high quality edition. It comes complete with a specially commissioned new biography of the author.
