What is beauty? Is it only for the young and athletic? Are we all judged? And if so just who gets to judge us? It is my belief that beauty is all around us every day, in the faces and bodies of both young and old. I believe it transcends cultures, religions, ethnicity and social status. This book is comprised of the collective thoughts of more than sixty contributors exploring this subject. Some are funny, some serious and some will move you deeply. I hope you will enjoy this book and I hope it will make you think about the nature of beauty.
