**Ed the Happy Clown** Chester Brown

## **A LONG-OUT-OF-PRINT CLASIC BY A MASTER OF UNDERGROUND COMICS**

In the late 1980s, the idiosyncratic Chester Brown (author of the muchlauded *Paying for It* and *Louis Riel*) began writing the cult classic comic book series *Yummy Fur*. Within its pages, he serialized the groundbreaking *Ed the Happy Clown*, revealing a macabre universe of parallel dimensions. Thanks to its wholly original yet disturbing story lines, *Ed* set the stage for Brown to become a world-renowned cartoonist.

*Ed the Happy Clown* is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. As the world around him devolves into madness, the eponymous Ed escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex. Brown leaves us wondering, with every twist of the plot, just how Ed will get out of this scrape.

The intimate, tangled world of *Ed the Happy Clown* is definitively presented here, repackaged with a new foreword by the author and an extensive notes section, and is, like every Brown book, astonishingly perceptive about the zeitgeist of its time.
