Did you ever wonder what happens deep within a Psychiatric Hospital — where average people who go violently insane are suddenly swept away? Where their fate is decided by a valiant corps of young doctors and nurses — and by other staff who may be worse off than the patients. No doctor has ever before dared to tell the amazing and horrifying -- yet sometimes tender and heartwarming stories that happen there. World-renowned best-selling author David Reuben, M.D. experienced it first hand — and he tells it honestly and directly ... with all the drama and sex and pathos of life behind the locked doors of the Psychiatric Hospital.
