## **The Elves of Lily Hill Farm** Penny Kelly

The Elves of Lily Hill Farm is the true story of Penny Kelly's meeting with a group of elves and the deal she makes with them to produce one-hundred tons of grapes from a mere thirteen acres of vineyards--without the use of chemical fertilizers and pesticides. As a result of their deal, Penny inadvertently enters the private world of plants, insects, animals, devas, and nature spirits where communication among them is common but the rules are all different. As the elves teach her a series of intense and powerful lessons, an amazing drama emerges between people and nature, both struggling to survive in a world where communication between them has been lost.
