Walker Bean never wanted to be a high-seas pirate waging a pitched battle against the forces of the deep. It just worked out that way.

Mild, meek, and a little geeky, Walker is always happiest in his grandfather's workshop, messing around with his inventions. But when his beloved grandfather is struck by an ancient curse, it falls on Walker to return an accursed pearl skull to the witches who created it?and his path will be strewn with pirates, magical machines, ancient lore, and deadly peril.

Author/illustrator Aaron Renier brings everything he has to this swashbuckling adventure story. Drawing from sources as disparate as *Tintin*, *Treasure Island*, and *Harry Potter*, Renier has woven together a breathless tale that will leave readers' ears ringing from the cannon-shot and their eyes dazzled from the glowing stares of sea-witches.
