**Benedict's Rule: A Translation and Commentary** Terrance G. Kardong

*Benedict's Rule: A Translation and Commentary* is the first line-by-line exegesis of the entire Rule of Benedict written originally in English. This full commentary - predominately a literary and historical criticism - is based on and includes a new translation and is accompanied by essays on Benedict's spiritual doctrine.

A monk who has striven to live according to the Rule of Benedict for thirty-five years, Father Kardong relates it to modern monastic life while examining the sources (Cassian, Augustine, and Basil) Benedict used to establish his Rule. Overviews - summaries of notes, source criticism, or structural criticism - follow some chapters, and a large bibliography of the current scholarship and source references are also included. *Benedict's Rule: A Translation and Commentary* also includes the Latin text of the *Regula Benedicti*. This reference work is invaluable to libraries and to those who are called to interpret the Rule. It will be opened again and again. Indexed.
