## **Godmother: An Unexpected Journey, Perfect Timing, and Small Miracles** Odile Atthalin

Odile Atthalin was a young woman from a prominent, bourgeois family in Paris when she decided to leave home in search of meaning. All she knew was that she wanted to go East; but once she had separated from France and committed to creating a new life for herself, opportunities fell into place.

After years of travels around the world, including a life-changing four years in an Indian ashram, Atthalin settled in Berkeley, CA, where she found all she needed: her first real home; a godson with special needs to nurture, to whom she became a devoted godmother; and a subculture of seekers, writers, guides, healers, artists, and spiritual creatives—a diverse tribe in which she could fit and finally felt she belonged.
