#?Beau I will love Noelle until she believes what we have is real. Yes, my lips did meet Courtney's for the very last time, but there is no chance of us being a romantic couple. My heart totally and unmistakably belongs to Noelle Winters and I have no intention of hurting her. I hope she understands why I had to kiss Courtney goodbye. My heart will surely drop and break at my feet, if I ever lose Noelle. She has become a part of my very existence and, to prove it to her, I'm prepared to introduce her to my family and the world as my one and only love. I will love her until she believes what we have is real. #Hunter I am not Beau. No matter how much my father would like to transform me into my older brother, I can only be me, Hunter Barringer, the youngest of the Barringer clan. I eat and sleep the business of running Barringer Estates, but my unquenchable appetite for many women has led my father to think I am not dependable. So it's unexplainable why when I walk into a bank in Georgia, Madison Powell's pleas to a banker unnerve me to my core. Her dark skin and warm brown eyes make me lose all control and I will do anything to save this damsel in distress. Will Noelle forgive Beau for his betrayal that he committed in front of a crowded room of his fans? Will Hunter get what he wants from Madison, or will his proposition to help her backfire?
