The best thing we, adults, can give to our children - is to invest in their education and development. Mazes motivate children to look for the solution and never give up. Very useful skill, isn't it? From the psychological point of view, mazes help to develop creativity, logic skills and spatial navigation. While solving the maze, kid develops his or her persistence, imagination, and concentration. The book contains various types mazes: standard, circular and polylines. Since the book is white & black, your child can color images which are the part of the plot of every maze. Thus we consider this book as 2-in-1: mazes + coloring! :) This book is a perfect idea for a gift! A gift for parents, since it'll keep kids entertained for hours!:) Please note, that Kindle & ebook edition of this book is a print replica! It is not intended to be used as an interactive application on any device. It was made as an example to show the mazes and coloring images that are available in the physical copy of the book. You can browse through the eBook and then grab a copy of the print version. Anyway, if you've purchased Kindle edition of this book, you can solve every maze in your head! We appreciate you purchase and will be very thankful for the review! Please look for other our books! Maybe you will also like our coloring book for kids? 84 pages and more than 200 amazing designs to color! (Author: Audrey Alias).
